She wants a baby. And he has a fertile...imagination.

INCLUDES a TAME version of *Ravenous* IN THE BACK of the STEAMY version! A STANDALONE Quantum story from New York Times bestselling author Marie Force! YOU DO NOT HAVE TO READ THE EARLIER BOOKS TO ENJOY JASPER AND ELLIE'S STORY!

"I devoured this book. I went from *Ravenous* to extremely well-satisfied. Another sexy winner from M.S. Force."—Sawyer Bennett, New York Times Bestselling Author

She wants a baby. He wants her. Simple enough, right?

Ellie Godfrey has kissed her share of frogs. So many, in fact, that she fears she won't recognize her prince if and when he finally comes along. Tired of waiting for THE ONE, Ellie decides to have a baby on her own before it's too late.

When Jasper Autry hears about Ellie's plan, what else can he do but step in and offer to "contribute" to her project. Does that make him an opportunist? Whatever. He wants the perpetually out-of-reach Ellie Godfrey, and when he sees his chance, he takes it. That she's the sister of his business partner and close friend Flynn gives him pause, but it doesn't stop him from having what he wants.

As Jasper and Ellie embark upon their secret "project," he makes it clear that for as long as they're together, he's in charge—in the bedroom anyway. After the hottest sex of her life, Ellie realizes she's made a deal with the devil himself.

Warning: If you hate foul-mouthed heroes who like it a little rough and dirty, this might not be the book for you... Contains hot and sexy BDSM scenes among other things that might not appeal to the faint of heart. Enter at your own risk and enjoy!

Amazon Review 12/13 Although this book contains some of the most well written, sexy smut I've ever read, the characters and the story can stand on their own.
